Time Limits are VERY important!

Because we feature so many items on each auction program, time limits on gift certificates and items are used. If we say an item will be sold in 10 minutes, we'll take all bids for 10 minutes ONLY! We then, once the phone-call-volume dies down, sell each item. This enables long-distance callers to get final bids into the auction.

Picking up your purchase

Anyone who purchases items on our auction has 10 days to stop at 5 Star Communications (KVHT/KVTK) Studios, 210 W. Third St., Yankton to pick up and pay for the auction items. In the event you do not pick up your items, we will exclude you from future auctions. If you're thinking about stopping out the following day, wait until after 9:30 a.m. so we can accurately sort items and have yours ready. Our normal business hours are from 8 a.m.-5 p.m. Mondays through Fridays.
